

Inter-Country Committee  
**France – Ukraine**  
Protocol of Agreement

Intercountry committees promote relationships between two or more international districts or two or more countries to increase fellowship and intercultural understanding among the people of various nations, foster stronger ties between members, clubs, and districts from different countries, and establish networks across borders, continents, and oceans.

On behalf of their respective Rotary Districts and Clubs involved, the District Governors sign the following agreement to establish an Inter-Country Committee between the participating districts of France and Ukraine.

The Rotarians involved commit to initiatives they select, to increase international understanding, intercultural sharing, establish goodwill and promote fellowship between France and Ukraine by promoting peace and better understanding and developing and managing common projects to improve awareness and mutual understanding and bridge communities and cultures. They will be guided by the recommendations of the International Executive Council of ICC and the Rotary International service mission.
