## General Information

The initiation, implementation and continuous coordination of projects between a particular Inter Country Committee (ICC) pair of countries is done by working committee in each country mirroring the other. Each country working committee has office bearers: National Section Head, a Vice National Section head, Hony. Secretary, Treasurer and at least one member from each participant district. The office bearers as above alternate between the participant districts.

The role of ICC is analogous to a rotary embassy of one country responsible for continuous communication with the rotary embassy of other ICC paired country/ies. The difference from National Country embassies is that in rotary case the ICC embassy remains in its own country in each pairing.

Through continuous communication of ICC paired countries working committees evolve bonds of friendship, credibility and information exchange on cultural / business and ongoing / potential rotary service projects which lead to mutually beneficial collaboration between Rotarians of paired countries to achieve successful community service projects in each country/ other countries if required.

The ICC is a resource to rotary districts regarding international service projects initiation and implementation and includes exchange of knowledge, technology, finance and evaluation of community service projects.

The ICC proactively supplements the projects completion effort of every participating rotary district in a staff role. The executive governance of each rotary district remains with the district governor and his district officer in accordance with applicable rotary constitutional documents and rotary code of policies.

# MESSAGE

FROM NATIONAL CO-ORDINATOR  
PDG DEEPAK TALWAR

## Inter country committees (ICC) In Rotary

The ICC is an affiliate program accredited by Rotary international and similar to rotary action groups (R.A.G.S.) based on common hobbies or service areas of interest. It is not a program administered by the Rotary board of Directors. The ICC is managed by an Executive Council which elects/ selects its office bearers every two years.

The objectives of an ICC are encouraging sustained contact between Rotarians, rotary clubs and rotary districts in two or more paired districts. The sustained contact leads to deep bonds of friendship, sister clubs arrangements, friendship/ family exchange delegations, business delegations, cultural assimilation and joint community service implementation collaboration in each paired country. The program gives a true flavor and experience of Internationality of Rotary. When all districts in a country agree to an ICC with all districts of another country, we have an ICC with its memorandum of Understanding (M.O.U.), charter of activities and an official charter as per template approved by ICC executive committee.

In process of forming an ICC , if minimum two districts in each paired ICC country wish, they may form an sub national ICC and gradually invite other districts in each country to join the program by signing a protocol of Agreement.

The work of the sub national/ National ICC is carried out by following:

**1. National Coordinator (NC) in each country who oversees and motivates rotary clubs and districts in his/ her country to form an ICC**

**A ICC working committee mirrored in each paired country led by a National Section head/ President/ Chair person , A vice Chair, a Hon secretary, a treasurer and two Rotarian members deputed by district governor of each participant district .**

**These committees in each paired country will initiate activities in consonance with objectives given above. Each activity is recommended to be monitored, finance arrangements made and recorded and contributions from committee members from each district are expected when their district is involved. The tenure of the working committee is indefinite subject to explicit consent of the National Coordinator in consultation with current district governors and approval of ICC executive committee.**

**We in India, till date have 45 ICCs at sub national level and 13 more are in pipeline. Since rotary internationally is present in 200 plus countries, the potential to form ICCs is immense. The ethos of an ICC is fellowship and service with humanity at its core over riding technicalities, positions and titles the role of which is just responsibility. Through this periodic E newsletter we will share with you salient information on ICCs formed, those in progress and potentials within our reach. We will also share snippets/ summary of accomplishments of ICCs over a period of time.**

**I encourage you to contact us and with consent of your district governor become a part of this wonderful program to give true shape and substance to the essence of rotary international mission: "We the people without boundaries join hands to do projects to make a positive sustained impact on lives of challenged world communities and in return earn their blessings which enrich our spirit enveloping it in perennial happiness.**

**Warm Regards  
PDG Deepak Talwar  
National Coordinator (ICC)**

**21.020.2. Establishing an Intercountry Committee**

Intercountry Committees can be national or sub-national relationships between two countries. National intercountry committees require the consensus of all districts in a country. Sub-national intercountry committees require the consensus of all districts participating in the relationship. An established Intercountry Committee shall inform the Executive Council of its formation.

**A. Establishing a national Intercountry Committee**

To form an Intercountry Committee between two or more countries, approval from all of the countries' district governors must be obtained. District governors from a given country who wish to delegate decision-making authority for establishing new national Intercountry Committees may do so with unanimous consent of all district governors in the country.

Interested Rotarians in each country should form a planning committee to establish an Intercountry Committee. The responsibilities of the planning committee include obtaining approval to organize an Intercountry Committee from each district's governor, electing an Intercountry Committee chair to lead the relationship, identifying potential projects, and activities for the ICC participants to undertake, and organizing a planning meeting. The name of an intercountry committee shall be taken from the names of the participating countries. The annual report shall include contact information for Intercountry Committee chairs, a list of Intercountry Committee relationships, and a summary of major projects and activities. Failure to submit an annual report by 1 August will result in termination of the president's term and will require the Executive Council members to elect a new president. The Executive Council may collect modest optional fees from established ICCs to cover website expenses. The fees may be used for administrative purposes or to support humanitarian projects and cannot be used to offset travel or other expenses incurred by an individual as a result of participating in activities organized by an Intercountry Committee or the Executive Council. If an Intercountry Committee or the Executive Council elects to collect fees, the Intercountry Committee's leadership or Executive Council's leadership shall prepare a budget of estimated income and estimated expenditures for the year at the beginning of each fiscal year. All bills shall be paid by the treasurer, or other authorized officer, only after approval by two other officers. **Global Grant No. 2348604**

Blindness is one of the most significant health related social problems in India.

Cataract and Refractive errors are the major causes of blindness and low vision. However, a majority of the cases can be avoided with proper eye hygiene and accessibility to proper medical facilities. According to WHO estimates, about 70% of Indian public hospitals are situated in cities whereas according to the Register General & Census Commissioner office's about 70% of the Indian population lives in rural areas.

RCD Panchshila Park assessed that there was a growing need for accessible and affordable quality eye care facilities for people living in the rural areas. Normally, with no resident eye specialist, they have to travel long distances to get proper eye care treatment and pay high fees which they may not afford.

Keeping this in mind, RCD Panchshila Park decided to provide a Mobile Ophthalmic Clinic to take eye care services to the doorstep of the unreached in remote villages and areas in the districts of Palwal and Nuh. This Mobile Ophthalmic Clinic shall be given to ABLE Hospital, Palwal. This Clinic shall allow the hospital to increase its outreach and be able to treat more patients at an affordable cost. In addition to covering the rural landscape, this Clinic shall move on the adjoining national highways and stop at roadside eating places to check the eyesight of the Truck drivers stopping there for meals or rest.

The Mobile Ophthalmic Clinic will be fully equipped with trained personnel to provide quality eye care to all. The Clinic shall have State of Art equipment like Automated Refractometer with Kretometer, Ophthalmic tables, vision testing LCD etc. and will be connected to the base hospital through the internet. Patients shall be screened for cataract, glaucoma, diabetic retinopathy, refractive errors and corneal blindness, it will also have an eye glass dispensing unit for those in need of spectacles.

## Editorial

*PP Rtn. Subhash Dewan*

Dear friends in Rotary,

It is heartening that for the first time, we have a lady RI President Rtn. Jennifer Jones, in a long history of rotary international.

Essence of all human beings is the same existence, that we merely are bestowed different individual talents & Gender roles. We are like actors on a stage called Planet Earth, giving our one life time performance. The Creator gave us abilities not for our own use but for the benefitting the world.

In the Rotary year 2000-01, when I was President of my R.C. Delhi South-West,

R.I .President, Frank Delyn on his visit to our R.I. district said, we the Rotarians in your country India & ones in mine Mexico, should thank ourselves that we have never-ending opportunities to do our best in our developing world, otherwise Rotarians in the affluent western world have to literally look around For such avenues.

Friends, we Homo sapiens have devastated this beautiful planet in the last 200 years, which was not done in past millions of years before. It becomes our solemn duty to save it for our future generation, for the better life for our Children. The greatest hope can come from our Rotary World, spread out in 200 countries. It was Rotary which with help of WHO, decimated crippling diseases Like Polio & others, but this journey, has to go on, till it reaches the last person in misery.

Here is our PDG Deepak Talwar of R.I. Dist. 3011, India, who has taken the challenge of doing well to society by clubbing two binary nations & Rotarians,

in R.I. Districts together to alleviate poverty & hunger, illiteracy, malnutrition, sanitation, clean water & health issues; plus bring International understanding, conflict resolution, through goodwill for all.

At recent Armenian Rotary conference PDG Deepak Talwar's address was very motivational and musical. We wish the cold & hot war between Armenia & Azerbaijan. Rotary can be act like mediation. No longer can a bigger nation bully a small neighbour, we're saying in going on between Russia and Ukraine.

I can prove this by self-example, as in his year of his Dist. Governorship 2005- 6, Deepak chose me to write his 'Governor Monthly Letter' as Editor. It was in that year he took us, a good number of Dist. Rotarians to Pakistan (our estranged neighbour) on good-will mission to resolve conflict & to bring human- touch, at least between our two peoples, who have same roots, culture & language. I wrote the awesome experience in our Mega issue, to show, how his initiative brought such enormous bonhomie thru' people to people contacts, which continues till date.

So my appeal to DGs & PDGs of all our friendly countries, to join his "ICC & Rotary" crusade in order to take Rotary to pinnacle of "Service above Self"

Warm Regards  
PP Rtn Subhash Dewan
